MELAMINE doors & panels

Create your look

Combining colours with an innovative design creates a beautiful and functional kitchen.

Your kitchen cupboard doors and panels are often the largest and most prominent decorative surface in your kitchen. To give your kitchen distinctive character our **MELAMINE** range offers you an extensive choice on colour and a wide-range of decorative surface finish options; Texture, Matt, Ashgrain, Eurograin, Finegrain and Sheen.

Add interest to your kitchen by combining not only **polytec's** colour range palette, but the various **MELAMINE** surface finishes as well. **Polytec** are market leaders in the manufacture of glossy surfaces. Our Sheen range combines a stunning

finish with an affordable price tag. The use of different finishes such as Eurograin and Sheen will create a kitchen that is captivating and eye catching.

MELAMINE doors and panels are designed to compliment **polytec's** product range together with the new **LAMINATE** bench top colours. Available edging options now include a full range of 1mm edge tapes, giving your doors a sleek and almost seamless finish. The durability of our 1mm edge tape ensures that your doors will endure the daily activities of a busy kitchen without compromising on style.

MELAMINE doors in Classic White Sheen and New Barron Alder Sheen.
LAMINATE bench top in Pearl Fabrini Matt.

Everyone deserves affordable quality.

MELAMINE doors in Cocoa Spruce Finegrain. CREATEC doors in Ultra White.
ALUMINIUM doors in 32mm / 10mm Satin Aluminium frame with Starphire White glass.

Polytec's aim is to provide the highest quality appearance in **MELAMINE** doors and panels while retaining the practicality needed in the kitchen environment. **MELAMINE** doors and panels are durable, hygienic and are made with easy maintenance materials. Most cleaning tasks are accomplished by simply wiping down with warm, soapy water.

Polytec makes it easy to create your look throughout your home. **MELAMINE** doors and panels can be used in other joinery applications from TV cabinets to bathroom vanities. Our range will compliment any interior decor.

Polytec's Finegrain finish is a thin linear embossed finish and can be used in horizontal or vertical kitchen door applications. The Finegrain finish enhances a kitchen by enriching detail and structure. Kitchen accents are very popular in the Finegrain and Eurograin finishes. The ranges are available in 12 contemporary colours allowing designers to introduce modern colours with unique finishes.

Polytec MELAMINE doors and panels come with a 7 year warranty giving you a complete peace of mind.

MELAMINE doors in Gesso Lini and Rocco Lini Sheen.
ALUMINIUM doors in 42mm brushed Aluminium with Frosted glass.
LAMINATE bench top in Alpine Mist Matt.
